Title: Daemon Detective Gaiden
Genre: Action, Adventure, Indie
Developer:
Yal
Publisher:
Degica
Release Date: 14 Aug, 2015

English

daemon detective gaiden

I was hoping for a fun retro platformer like on NES (famicom to you easterners) but instead this is just tedious and really bad controls. Music is cool though. Would buy the soundtrack.. Tried to launch game, crash. Verified game files, crash. Reinstall, crash. Retried verifying and reinstalling, crash. Googled issue, nothing. Waste.. Decent platformer with good controls.
